

DNA sequencing Prices *valid from august 2017*

Processing stages	Price per/sample (VAT excl)
DNA Extraction and Purification	R68,57
PCR	R16,58
PCR Purification	R10,99
Quantification	R7,00
Sequencing Reaction	R37,44
Post sequencing clean-up	R7,98
Capillary Electrophoresis	R18,17

DNA Barcoding Prices *valid from august 2017*

DNA Barcoding prices are inclusive of all processing costs: Project creation, data, image and sequence submission to BOLDsystems.

Organism	Price per/sample (VAT excl)
Plant Barcoding	R450,00
Animal Barcoding	R360,00
